## Community Corner

### Bank At School Program In Mount Sinai School

Representatives of the credit union had the pleasure of informing second graders about the credit union. It's important for children to learn about money, saving and how it all works. We also talked about our Youth Accounts, which offer 3.00% APY.\* Our young members can earn dividends as soon as they start saving.

\*APY=Annual Percentage Yield. Yield subject to change at any time.

### Girl Scouts Visit The Credit Union

On March 3, 2009, Troop 1072 was lucky enough to receive a behind the scenes tour of the credit union. They got to see places that not every member gets to see. We enjoyed hosting these girls.

### Woodhaven Assisted Living Employees Offered Accounts

On February 2, 2009, our Branch Manager made a special trip to Woodhaven Assisted Living to offer accounts to their employees. These dedicated individuals work hard everyday, and we are happy to offer them products and services that take care of their hard-earned money.
