

For more than 45 years, **Long Island Community Federal Credit Union** and **Suffolk Federal** have proudly served members throughout Suffolk County. Recently, our organizations have discussed a potential merge and how ultimately, this would be a great benefit to all of our members at LICFCU. Together, our commitment to providing the very best in banking remains strong and will continue in the many years to come.

Our teams are hard at work preparing for the completion of the merger, which is expected to take place in June 2018. The leadership from both organizations are extremely excited about this new endeavor and hope that you will support the merger! **[Please vote APPROVE on the merger ballot and return it to LICFCU.](#)**
